In the place of Mr T Madhavarao, appointed as Personal Assistant, an officer will have to be appointed as the Revenue officer of the Municipality. Generally this post is of the grade of an Assistant Collector. The R.C has also sent a panel of names of suitable persons for selecting one from amongst them as the Revenue officer. Now the Municipality have requested to appoint Mr N Siddalingappa Section Superintendent as the Revenue officer of the Municipality vice Mr T Madhavarao. From paragraph 6 of the proceedings, it will be seen that Mr Siddalingappa is a M.A and LL.B and has passed all the local tests by passing as section superintendent and very good. He is getting a pay of Rs 150 from the grade of Rs 100-10-150 + 25 C.A. He is a purely municipal official. His appointment as the Revenue officer would mean a departure from the present practice. But in view of his being highly qualified and of the request of the Municipality, it is for consideration if he may not be appointed as the Revenue officer with the usual status of an Assistant Collector with the conveyance allowance of Rs 25 p.m.

Appointment of a Personal Assistant to the Revenue Officer - Posting of.

General and Revenue Secretariat — File No 372 of 1941/42 — [App F III-2

Serial No.

In the Bangalore City Municipality, the post of the Revenue Officer became vacant. Thereafter, the Revenue Commissioner sent up a panel of 6 names of Amildars to the Municipality for selecting a substitute in place of the Revenue Officer. The Municipal Council instead of selecting one of them have resolved that the present Octroi Superintendent should be appointed as the Revenue Officer, though the latter has neither the status nor the experience of an Amildar. The question for consideration is as to whether the Municipal Council or the Government have the right to appoint such an officer as the one in question.

In 1925, the Government passed a G.O. dated 19th February 1925 in the matter of establishments under the Local Bodies. It applied both to the District Boards, Local Boards and Town and Minor Municipal Councils. Rule 1 runs as follows:-

"(1) As a general rule, only officials in Government service will be employed by District Boards, Local Boards and Town and Minor Municipal Councils for all non-gazetted executive and clerical appointments under them but the application of these rules shall not extend to --

(a) the menial and non-pensionable establishments such as attenders, peons, daffedars, dalayats, sweepers, toties, scavengers, etc.,

(b) pound-keepers,

(c) Sub-Registrars of births and deaths,

(d) conservancy overseers and maistries, and

(e) such other appointments as Government

may, from time to time, exempt from the operation of these rules."

From this rule, it becomes quite clear that, except those appointments which are mentioned in sub-clauses (a) to (e) of Rule 1 above, all <u>non-gazetted executive</u> and <u>clerical</u> appointments shall be filled up only by the officials in Government service. Hence these Boards and Municipalities possess no power to appoint officials other than those mentioned in the sub-clauses (a) to (e) directly. Such posts can be filled up only by lent officials in Government service. The other rules in that G.O. elaborate the mode in which the lent officers would be dealt with, in respect of their pay, prospects and discipline.

In 1926, the District Boards Act came into existence and the Government, in exercise of the powers conferred under Sections 90 and 100(2)(q) thereof, passed a G.O. dated 20th January 1927 regarding recruitment, pay etc., of the District Board employees. This G.O. practically embodied the provisions contained in the G.O. of 1925 and Rule 1 runs thus:-

"Officers and servants in Government Service shall ordinarily be employed by District Boards for all appointments except the menial establishments and such other appointments as may, from time to time, be exempted by the Government."

In 1927, the Government issued a G.O. dated 2nd February 1927, whereby the provisions of the G.O. of the 19th February 1925 were made applicable

appointment of a Personal Asstt to the Revenue officers, Bangalore

to the recruitment of establishments under the Bangalore City Municipal Council." The G.O. runs as follows:-

"The Government are pleased to direct that the provisions of the Rules contained in the Government Order of the 19th February 1925 read above, be extended to the non-gazetted executive and clerical appointments under the Bangalore City Municipal Council, subject to the exemptions and other conditions specified therein."

(5) Again in 1927, G.O. dated 1st March 1927 was passed which issued rules regulating the recruitment, pay, leave, punishment, transfer, pensions, gratuities and other matters relating to officers and servants of Town and Minor Municipal Councils which also in fact embodied the provisions of the G.O. of 1925. In 1930, the Government, by their order dated 25th October 1930, issued revised rules of recruitment to the establishments under the Municipal Councils (City, Town and Minor) in the State. This also refers to the G.Os. of 19th February 1925, 2nd February 1927 and 1st March 1927.

(7) In 1933, the Mysore City Municipalities Act VII of 1933 was passed. Sections 233 and 234 gave power to the Municipal Councils to appoint a Chief Officer, a Health Officer and an Engineer but under Act III of 1938, the Government took over the power to appoint the Chief Officer, Health Officer or the Engineer under Section 234-A. Further, under Act I

of 1938, the Government also took over the power to transfer any officer or servant of the Municipality under Section 232-A of the Act. Section 248 empowers the Municipal Commissioner to appoint certain officials whose monthly salary does not exceed Rs.60/-.

Section 228(c) empowers the Government to make rules or orders for the regulation of all or any of the matters specified in clauses (b), (c), (e), (f), and (g) of Section 49. Section 49(e) deals with the mode and conditions of appointing, punishing or dismissing any officer or servant, and delegating to officers designated in the rules the power to appoint, etc. The Government have thus power under the new Act to pass orders relating to the mode of appointment of the officers of the Municipality. The present Section 49 corresponds with the old Section 46 of Regulation VII of 1906.

In 1935, the Government passed orders regarding the provincialisation of the officers and servants of the District Boards, and City, Town and Minor Municipalities by a G.O. dated 23rd October 1935. This G.O. refers to the previous G.Os. of 20th January 1927, 2nd February 1927 and 1st March 1927 and lays down that the rules of recruitment laid down in the orders mentioned above be invariably followed, the number of direct appointments under the powers vested in the local bodies by the respective Acts and the rules thereunder being as few as possible and confined to cases of absolute necessity. This

G.O. is an order passed under Section 228(c) read with Section 49(e) and hence it is binding on the Municipality. The recruitment of the officers and servants of the City Municipalities has to take place in accordance with the G.O. of 1935. So far as the Bangalore City Municipality is concerned, the G.O. dated 2nd February 1927 still holds good and this in its turn refers to the G.O. of 19th February 1925. In 1935, the Government decided to appoint an experienced Amildar as a Revenue Officer and one Mr. Varadaraya Pillay Rangappa was so appointed. Mr Rangappa was appointed as the Manager Again in 1936, the Government approved the resolution of the Municipal Council of appointing persons of the status of Amildars to the post of the Personal Assistant created in place of the Manager (G.O. dated 19th June 1936).

Under these circumstances, the Bangalore City Municipal Council ought to have selected one of the Amildars in the panel of names sent by the Revenue Commissioner instead of appointing the Octroi Superintendent. But, it is still open to Government to ratify the act of the Municipal Council, if they so desire.

There are three important officers in the Bangalore City Municipality viz., (1) Personal Assistant, (2) Revenue Officer and (3) Octroi Superintendent. In Mysore, we have a Revenue Officer and an Octroi

Superintendent. It would be much better if definite rules are framed under Section 228(c) read with Section 49(e) that the two Municipalities should, whenever there is a vacancy, request the Revenue Commissioner to send a panel of names, who are in the cadre of Amildars, and one of them should be selected and the appointment should be subject to the approval of Government. This would place the matter beyond any doubt and the controversy that is going on in the two Municipalities would be put an end to.

SIR,

I have the honour to state that the panel of names of Amildars received with the Revenue Commissioner's letter No.C.2430/41-42 dated 5th November 1941 for selection of an officer as the Revenue Officer in this Municipality Vice Mr. T. Madhava Rau resolved to be transferred Vide my letter No.AS.340/41-42 dated 17-10-1941 and also panel of names of Amildars received with the Revenue Commissioner's letter No.C.2263/41 dated 24-10-1941 for selection of an officer as the Personal Assistant to the Municipal Commissioner vice Mr. C.Ramaswamy who has been granted privilege leave for 2 months from 2-11-1941, were placed before the Municipal Council at their meeting held on 31-10-41 when they have resolved that the Revenue Officer may be placed in charge of the duties of the Personal Assistant in addition to his own duties till a permanent substitute is selected. A copy of the resolution has already been sent. The Council, again, at their meeting held on 15-11-1941 wanted to be placed before them a list of Municipal employees who are eligible for promotion to these posts. These posts require officers of ripe experience and of the status of an Amildar Vide Government Orders Nos.L.4791-4/Ll.153-35-5 dated 24-12-1935 and L.9642-4/Ml.12-35-100 dated 19-6-1936 sanctioning the appointment of Revenue Officer and Personal Assistant respectively. As no such official is available in this Municipality, a note to that effect was placed before the Municipal Council, who, at their meeting held on 29-11-1941, referred the matter to the Managing Committee after some discussion on the subject. An extract from the proceedings of the

of the Municipal Council dt. 13-12-1941 relating to the subject is enclosed.

The Managing Committee at their meeting held on 9-12-1941 opined that Mr. T. Madhava Rau may be continued as the Personal Assistant and that Mr. N. Siddalingappa, Octroi Superintendent, be posted as Revenue Officer. This opinion of the Managing Committee has been approved by the Municipal Council on 18-12-1941 after a prolonged discussion. A copy of the resolution of the Municipal Council together with an extract of the proceedings on the subject is enclosed.

It may further be stated that the Memo No.C. 2712/41-42 dated 28-11-1941 received from the Revenue Commissioner, transferring Mr. Siddalingappa to Mysore City Municipality Vice Mr. Siddappa transferred here was also placed before the Municipal Council. The Council are of opinion that this transfer order may be cancelled and that Mr. Siddalingappa may be appointed as the Revenue Officer in this Municipality for the reasons expressed by some of the Councillors as noted in the enclosed extracts.

I request the favour of early orders of Government in the matter.

I have the honour to be,

Honorary President.

N o t e.

Prior to 1936 the cadre of the posts of Revenue Officer, Octroi Superintendent and Personal Assistant was one ~~of~~ and the same, the grade being 100-10-150 - Since 1936 the posts of Revenue Officer and Personal Assistant are being filled up out of the list of Amildars who were drawing the minimum of the grade.

Mr. Ramaswemy, the Personal Assistant took leave from 2-11-1941 and in his ~~place~~ place Mr. Madhava Rau was posted temporarily as Personal Assistant in addition to his own duties. It is now necessary to appoint the Revenue Officer.

The Council have decided to have Mr.Siddalingappa as the Revenue Officer, who is now in the Grade of Rs.100-10-150 and drawing Rs.120/-.

In the interest of the Municipal finances, it is desirable to have the posts of Revenue Officer, Personal Assistant and Octroi Superintendent in the cadre of Deputy Amildars as the Municipality cannot bear the burden of the pay of Amildar's Grade. The posting of Amildars to these grades may be considered as and when the finances of the Municipality improve.

HONORARY PRESIDENT.

EXTRACT FROM THE PROCEEDINGS OF THE MUNICIPAL COUNCIL HELD ON 13TH December 1941.

Mr. B. Subbiah next pointed out that the discussion they had on Additional Subjects 5 and 15 of the previous meeting had not been noted in the Proceedings No.10 and they should be incorporated therein. Accordingly, the following was inserted in the proceedings

" Mr. B. Subbiah wanted the memo of the Commissioner to be read out and the President read it accordingly. The President informed the Member that the Commissioner had opined that in his opinion there was nobody in the Municipal office amongst the officials who was eligible for these posts and that there was no mutual consultation in this matter. Mr. B. Subbiah asked whether this was also the opinion of the President and if he had any other opinion to offer He also asked the Commissioner whether in his opinion there was no one eligible for the place and the Commissioner replied that he had already given his opinion and there was no need for changing it.

Mr V.K.Govindarajulu observed that the President to whom the Council had referred this matter could have given his opinion which he had not done and the President said that the Commissioner had given his considered opinion and wanted to know whether they wanted him to differ from the Commissioner in this behalf. He also said that they may discuss this question in the Managing Committee.

Mr K.Hanumanthiah also wanted to know whether there was not one amongst the officials fit for these posts and the Commissioner informed him that he had given his opinion after a good deal of thought and so there was no need for him to change his opinion. He said that it was better they did not stress upon the efficiency of the executive staff, that he is tired of punishing them and has called for a list from the Revenue Officer for degrading the unfit.

Mr G. Nanjappa observed that if they appointed their own men, they could be sure of better collections and better cooperation, as they will be in the know of the actual things here and that with this object in view, they had asked for a list of eligible officials.

The House agreed to the incorporation of this in the proceedings

Addl.Sub.-No.37. Opinion of the Managing Committee dated 9-12-41 that Mr.T. Madhava Rau may continue as Personal Assistant and Mr. N. Siddalingappa be posted as Revenue Officer.

Vide resolution on Subject No.56 on the agenda of to-day's meeting, as this is taken up along with ~~the~~ that subject.

Subject No.56.- Revenue Commissioner's memo No.C.2712/41-42 dated 28th November 1941 transferring Mr.N.Siddalingappa,Octroi Superintendent, to Mysore City Municipality.

Vide typed copy of proceedings, enclosed.

Adjourned Council Meeting - 18-12-1941 - 5 p.m.

Subject No.56.-

Mr. M.A. Gopalaswami Iyengar.-

I move that "This Council resolves that the services of Mr. N. Siddalingappa, Octroi Superintendent be retained and he be posted as Revenue Officer. This Council further resolves that Government be requested to direct the Revenue Commissioner to withdraw his Memo transferring Mr. Siddalingappa to the Mysore City Municipality."

This subject may be taken up along with Subject No.37.

Subject No.Addl.37.- Approved.

Mr. V.K. Govindarajulu.-

I believe that the Octroi Superintendent of the Mysore Municipality has been asked to be relieved immediately.

President -

There is a letter received from the Mysore Municipality that Mr Siddappa would be relieved and that is placed before the Council to-day.

Mr. V.K Govindarajulu.-

Will this resolution be forwarded to Government immediately?

President.-

Certainly.

Mr V K. Govindarajulu.-

In the meanwhile, supposing the Octroi Superintendent of Mysore comes here, what will be the position?

President.-

Why should you think of all those things? When we are forwarding our resolution, Government may sanction our proposal.

Mr. V.K ~~Gopalaswamy Iyengar~~ Govindarajulu.-

The Commissioner is already complaining that the work of the Revenue Office is suffering I want to know whether there are not instances of the Octroi Superintendent having acted as Revenue Officer previously? I want the Commissioner to answer this question.

Commissioner.-

I want notice.

Mr V.K Govindarajulu.-

This is such a simple thing, you can make enquiries and tell me.

Commissioner.-

I must study the circumstances, can I give an answer at random

President.-

The Commissioner forwards this resolution immediately.

Mr. V.K.Govindarajulu.-

Sir, I want you to note down these circumstances and explain to Government that the work is suffering for want of a hand and the present Revenue Officer being placed in charge of the Personal Assistant has handicapped much of the work of the Revenue Office in as much as the Personal Assistant's work being one of ministerial, the Officer finds it difficult to do the work of the Revenue Officer which is an executive one, that in the experience of this Municipality, it was found that the Amildars posted as Revenue Officer were found to be only passing birds and the collections were never improved and there was a big fall in the revenue and so we have taken up this view and as there is a suitable man available with a good lot of experience in this Municipality, we have proposed this "

Mr. K. Hanumanthiah.-

It is not possible to place Mr. Siddalingappa as acting Revenue Officer?

President - It may require Government sanction

Mr. K.Hanumanthiah.-

If I know some of the procedures in vogue in Government offices, I may tell you, Mr. President, that when the Sub Division Officer or Amildar takes leave the Head of the office will be placed in-charge of the Officer's duties and as such, I do not think it is in any way objectionable. Here is an instance where we have placed the Revenue Officer as Personal Assistant I feel that knowing the idea of the Council, the Executive will do well in placing the Octroi Superintendent as Revenue Officer and that will certainly give due regard and respect to the wishes of the Council.

Mr. V.K. Govindarajulu.-

The Commissioner says that he is not aware of any precedent, Will the President at least make a statement about this?

Mr. K Hanumanthiah -

I request the Officer concerned to respect the wishes of the Council by placing the Octroi Superintendent in charge of the Revenue Office and the Government Order will come later on and if the Government Order is adverse to the Council Resolution that is a different matter. Why should we anticipate things and disregard the unanimous resolution of the House? After all, we are Local Self Government institutions and to give proper content to that name, I would urge that our unanimous wish in the matter should be given effect to.

Mr. M A Gopalaswami Iyengar.-

The difficulty is this Under Section 232(a) of the Mysore City Municipalities Act, Government have got the power of transferring any man at any time, without any reference to the municipality Therefore I think this requires Government sanction

(President reads the Section).

Mr.V.K. Govindarajulu.-

Are there not instances when the Octroi Superintendent acted as Revenue Officer? Perhaps the Commissioner is new and he may not know that. With the object of interchanging officers in these three places, there is an office note to raise the status of the Octroi

Octroi Superintendent. I am feeling that the Commissioner is reluctant to make a statement in this matter.

Commissioner.-

I told you that without studying the subject I cannot give an answer. Moreover, I came here only three months back and I do not know the things that took place previously. President is the gentleman to whom you may put questions and get answers. If you want anything more, you may send in interpellations?

Mr. V.K. Govindarajulu.-

As Commissioner of the Municipality, have you not placed the Octroi Superintendent at any time as Revenue Officer?

Commissioner - I have not.

Mr. V.K. Govindarajulu.- In Mysore?

Commissioner.-

I was not Commissioner in the Mysore City Municipality. I do not want to answer any further ~~xx~~ questions. You may put questions to the President.

Mr.V.K. Govindarajulu.- May I know the answer the President can give?

President -

We will have to move a resolution to place him in charge of the Revenue Officer

Mr. K. Hanumanthiahl-

I submit that there was sufficient time for the executive to study this subject and know what the rules are in the matter This matter is pending for the last one month and I hope it is sufficient to study the subject. Nevertheless, even now, if the executive is not in a position to make any statement, let the resolution of the Council be respected.

Mr V.K.Govindarajulu.-

Mr. President, I want to know what you have decided about my proposition

President.- The resolution of the Managing Committee is approved.

Mr.V.K Govindarajulu.-

That is not all, we want Mr Siddalingappa to be placed in charge of the Revenue Office

Mr. M.A.Gopalaswami Iyengar.-

This is an adjourned meeting and you cannot introduce a new subject.

Mr. V K.Govindarajulu.-

It is no new subject. So, I definitely move this proposition "This Council resolves that the present Octroi Superintendent be placed in charge of the duties of the Revenue Officer also, pending sanction of Government to the appointment of Revenue Officer."

President -

There is a letter from the Revenue Commissioner, intimating that

that Mr.Siddalingappa will be transferred to the Mysore City Municipality. That is the substance of the letter and that is before the Council, it was referred to the Managing Committee and they resolved that Mr. Madhava Rau be appointed as Personal Assistant and Mr. Siddalingappa as Revenue Officer One is contradictory to the other as Mr. Siddalingappa, stands transferred.

Mr. V.Venkataswamy Setty.-

In the year 1941, did the Revenue Officer apply for leave at any time and if so, for how many days? Who was in charge of his duties? This question I put at the last meeting of the Council and you wanted notice. Do you also want notice now, or always?

President.- It seems he was only on casual leave.

Q.- For how many days Sir?

A.- 7 days.

Mr. K.Hanumanthiah.-

Is there any order disabling the Municipal Council from doing such a thing as this?

President.- Mr.M.A.Gopalaswami Iyengar read the Section

Mr.M.A. Gopalaswami Iyengar.- Section 232(a) has got an amendment.

Mr.H.C. Suryanarayana Rao.-

Whenever such a transfer of an officer is made, has the Council any power to stop it? Can that transfer be given effect to? If that point is enlightened, we can come to some conclusion. Can the Government transfer officers without consulting the Municipal Council?

President.-

Any Order of Government will have to be placed before the Municipal Council and Council should give their opinion on that and it is subject to the confirmation by Government.

Mr. K. Hanumanthiah.-

I do not suppose Government are reluctant to sanction this subject. On the other hand, we are thankful to Government for their continuously respecting our wishes on the several subjects we have passed. There are no special reasons for disrespecting this resolution particularly.

Mr.M.A.Gopalaswami Iyengar.-

Subjects 56 and 37 may be approved by the Council and the views expressed by the Council may be sent to Government Government themselves may look into the Section.

Mr. K. Shamaraja Iyengar.-

So far in my experience in the Municipal Council, I have never known an instance of an officer being transferred without consulting the Municipal Council No doubt Government may have the supreme power, but I do not think there has been an instance of the type. This happens in such a way that a man of one place is already ready to take charge in the other place As Mr K.Hanumanthiah said there were no instances when Government disrespected our resolutions. We have thought over this matter seriously and decided upon a certain resolution.

President.-

eed upon t t the discussions may be sent along with

with the resolution.

Mr. K. Hanumanthiah.-

We cannot understand why our resolution should not be given effect to pending the sanction of Government. There were instances of the type which were brought to your notice. There is nothing serious preventing Government to give accord to our resolution and unless there is anything repugnant to the Law, this cannot be turned down. I should feel that if the Executive Officer cannot do so much, he is hardly doing any service either to the Council or to Government.

Mr.B. Subbiah.- Or to the citizens.

Mr. K.Hanumanthiah.- I accept the observation with thanks.

Mr. K.Shamaraja Iyengar.-

Mr. President, I want to know that after all this, what has happened to all of our talk.

President.-

Observations passed by the honourable members will be intimated to Government for needful action.

Mr. K. Shamaraja Iyengar.-

Supposing there is an order or a memo or that officer comes over here to take charge, what is to happen.

Mr.V.K. Govindarajulu.-

Why not the Commissioner make a statement in this matter that this resolution will be sent up to-morrow alone?

President.- I will see that it is given effect to.

Mr.H.C. Suryanarayana Rao -

Is it a request or is it in the power of the Council to force Government to give effect to this?

Mr. M.A. Gopalaswami Iyengar - It is a request.

President.- It is requesting Government.

Mr. B. Subbiah -

Probably, we have got right and Mr.M.A.Gopalaswami Iyengar is putting it in a modest way.

Mr. H.C. Suryanarayana Rao.-

We must realise our own standing - whether we have any right to do so

President.- We have got every power of requesting (laughter).

Mr. H.C Suryanarayana Rao.-

Any request could be made Let us correctly understand our position. I know that several requests of this Council were turned down by Government for want of definite policy. So, our resolutionx must be definite and not defective. Let us take some more time to discuss this and come to a correct decision and pass a definite resolution.

President.- The subject is already passed.

Mr. M.K. Narayana Iyengar.-

Is it the Government Order or the order of the Revenue Commissioner?

Commissioner.-

Government passed an order that all people staying in the Municipality for more than 5 years may be transferred and the Revenue Commissioner has taken action on that.

Mr.V.K. Govindarajulu.-

That Government order refers to only officials and not to officers. Even last time I ~~xx~~ brought it to your notice and the policy of Government is never to disown the powers of the Municipality.

President.-

I would be glad and immensely pleased if we point out to Government that we have such a right and we must also persist in the matter.

Mr.K.Shamaraja Iyengar.-

Everything that is done should be done in the interest of Government The best interest of the Municipality should be served by doing anything. We have pointed out that by appointing a certain officer in a certain place the best interest of the Municipality would be served so far as the collection work is concerned. The only thing with which we are therefore concerned is whether the person is efficient and can turn out good work It has been pointed out already that he is efficient and has done good work and moreover, he is our own man and in view of these circumstances, Government are ~~xx~~ sure to consider this question favourably.

President.-

When once we post this gentleman as Revenue Officer it presupposes that he is efficient and the posting is in the interest of the Municipality.

Mr. B. Subbiah.-

Mr. Siddalingappa is an M.A.,B.L , and he has passed all the tests and his collections as Octroi Superintendent are very good and in these circumstances, I do not think Government will turn down our resolution and so many views have been expressed by the several learned members on this. So, it is up to the President to keep up the prestige of the Municipal Council.

President.- We shall explain in the covering letter.

Mr. H. C Suryanarayana Rao.-

What I would humbly submit is, from a house of this type, where there are eminent lawyers and businessmen, several expressions have been made on the subject and in the covering letter several suggestions may be made. As a matter of fact, when the 130 feet road question came up before the House, they passed a resolution requesting the Commissioner not to make use of the finances provided for in that connection and it was respected. So, we must make a firm stand and if we address a letter to Government it must carry some weight and even the Government should not turn down the resolution Let us send a letter from this House to make the Government feel that we are properly pressing on the subject, that we are competent to do so, that we are backed by certain

certain Regulation and as such let our suggestions be based on Law and Regulation. That is what I say.

Coming to the point at issue, the Government Order under reference, I believe, refers to only officials and not to officers and the Government Order of 1936 refers to both officials and officers. Taking our Regulation into consideration, has the Government consulted this House in transferring this person who is under the employment of the Municipality, and if they have not done so, is it under the Regulation? Can the Government Order override the Regulation or Act? These things should be rightly discussed in this House and a responsible letter should be written to Government. A letter from this House should be consistent with Law and Regulation and I humbly submit that no irresponsible type of letter should go from this House. We must say that we are right in making this statement.

President.-

We may pass this resolution and a letter will be forwarded to Government embodying these points consistent with the Law and Regulation.

Mr. H.C. Suryanarayana Rao.-

Thank you, Mr. President.

Subject No.56.- Proposition moved by Mr.M.A.Gopalaswami Iyengar is approved.

President.-

I may tell and assure to the House that the President is here to guard the interest and prestige of the House.

Mr. K. Hanumanthiah.- Thanks -

Sd/- W. H Hanumanthappa,

Honorary President.

ABDUL AZIZ KHAN
MUNICIPAL COMMISSIONER

CITY MUNICIPAL OFFICES
BANGALORE
Dated 27-12-1941

7/12/41

Dear Mr Narayan Rao,

In connection with the resolution of the Municipal Council deciding to appoint Mr Siddalinga appa, the Octroi superintendent as Revenue officer, I write to request you to bring to the notice of Government that I used my best to persuade the Council to select an officer from the panel of names sent up by the Revenue Commissioner The Congress major parts of the Council were quite unreasonable in their attitude & wanted to appoint an official who was an employee of the mulky it was pointed out to them that Mr Siddalingappa was inexperienced & was not fit to hold the important post of the Revenue officer He was a clerk in the Hassan District on 40-2-50 & was transferred to the municipality about 5 years ago During this period he has been pushed up to ~~Rs~~ 120 in 100-10-150 as extra supot & it is now proposed to promote him to Rev officer; place in 150-25/2-250 + part time the reasonableness or otherwise of the scaped promotions, this official has had absolutely no experience of taluk work or work as amildar which is so essential for successful discharge of the R O's appointment The arrears are very heavy in this municipality (about over 4 lakhs) The so called tax defaulters are incompetent, as they were all been promoted from lower places & municipal Collectors on ~~Rs~~ 15/- each Under such

Conditions it would be well nigh impossible for an official like Mr. Siddhivinayakam to manage. Moreover if he is later found unfit, the municipality cannot change him; on the other hand, if an auxiliary is taken & his work is unsatisfactory, he can be changed.

All things considered, I think Mr. Siddhivinayakam is not suited for the above place. I therefore request you to move Govt. to kindly post an experienced auxiliary out of the panel of names sent by the Revenue Commissioner. If Govt. approve of my suggestion, I shall submit the names of the auxiliaries sent up by the Revenue Commr.

Mr. Siddhivinayakam has worked over for about 5 years & I find that he moves too freely with the municipal Councillors enlisting their sympathy & support on his head of depending on his work and the official superiors. The Revenue Commissioner has already transferred him to Mannar. I shall release him as soon as his relievee comes or earlier if possible.
